

What is Microsoft Office?

Microsoft Office is a collection of office-related applications. Each application serves a unique purpose and offers a specific service to its users. For example, Microsoft Word is used to create documents. Microsoft PowerPoint is used to create presentations. Microsoft Outlook is used to manage email and calendars. There are others as well.

How do I download it?

1. Go to www.office.com and sign in with
 - Your Northumbria Email - in the format: forename.surname@northumbria.ac.uk
 - Your Northumbria Password - this is the same password you use to logon to computers on-campus and Blackboard
2. Follow the steps to either open the web version of each application or install onto your computer.
